

## Welcome to Starfish!

It is easy to get started. **After you are registered for classes**, you can access SUNY Broome’s Starfish system via the MyCollege LaunchPad. Starfish will automatically provide you with connections to your current instructors, advisors, and campus services. The Starfish platform can help us support you when you need it and make it easy for you to find the right people and services.

## Your Profile

Your **Home** page includes access to your personalized profile and dashboard.

Here are your first steps to get connected:

1. Upload a photo of your face.
2. Add your cell phone number.
3. Prefer text notifications? Simply click on the cell phone icon to the right of the “Alternate Email” box and follow the instructions! Be sure to check the box that sends correspondence to “Both”.  
***NOTE: This does not change your official contact information for SUNY Broome. To update that information, you must contact the Registrar.***

## Need help in your class?
