

**INDIVIDUAL PROFESSIONAL GROWTH PLAN (IPGP)**  
**PROFESSIONAL DEVELOPMENT OFFICE**  
**BROOME COMMUNITY COLLEGE**  
**BINGHAMTON, NEW YORK**

The Individual Professional Growth Plan (IPGP) is a tool designed to give you an opportunity to specify your growth plans for the next three years. This plan should be outlined in conjunction with your yearly evaluations (classroom, peer, supervisory). After completing this form, review it with your supervisor and file it in the Teaching Resource Center (LI 101). Faculty can substitute the Professional Development Plan that was developed with their Mentoring Committee, if appropriate.
