

# Student Guide: Tests, Multiple Attempts

Some instructors may allow you more than one attempt at taking a test. If your professor allows for multiple attempts it will be stated in the Instructions area.

## 1. Instructions

Timed Test	This Test has the time limit of 10 minutes.
Timer Setting	This Test will save and submit automatically when the time expires.
Multiple Attempts	This Test allows multiple attempts.

After you submit the first time, return to the test and click the Begin button again. You will see a message "Test previously taken". Click the link 'take the Test again'. You will then be able to begin the test again.

### Test previously taken: Test Your Skills

Test already completed. Click OK to review results of last attempt.  
or [take the Test again.](#)
