

A course must be made available before students enrolled in the course will be able to see it in their MyCourses area in Blackboard. This is typically done on the first day of the semester or shortly before the class is scheduled to begin.

Enabling Your Course

1. On the **Control Panel**, expand the **Customization** section and click **Properties**.
2. In the **Set Availability** section, click **Yes** and then click **Submit**.
Note: You should NOT use the Term Availability Setting.
